

# Pentir Pumlumon Newsletter 2007

With the tourism season in full flow we hope that you are all enjoying good trade and visitor numbers.

## Canolafan—Llanafan

The superb facilities for ICT at Canolafan in Llanafan remain available for hire by groups and businesses. The room can be used for meetings and also offers an area for tea and coffee making. There is currently office space available at Canolafan at a very competitive rate. For details please contact Wynne

## Website changes

Many of you may have noticed the subtle changes that have taken place across the whole website.

Images have been refreshed and text revised to maintain a contemporary look. Changes have been made which include the addition of 'Car Trail Trivia' sheets which are downloadable by visitors to the area.

The new 'Area Guide' will also be added in coming weeks.

New Members can also be seen on the 'Touring Map' pages.

## Interreg IIIA

The Interreg IIIA project is now 18 months into its life with 12 months remaining. Much work has been carried out to market the area and records of all advertising etc are available at the office in Lisburne House, Pontrhydygroes. Please do feel free to get in touch if you would like to discuss this project.

## Ystwyth Transport

The Ystwyth Transport initiative continues to serve many communities in the area and is regularly out on hire to schools, youth groups, social teams as well as being available for the weekly 'Surgery Run' taking people with isolation and access problems to the Health Centre in Llanilar.
